**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have been using a non AT&T, Comcast, etc. provider for our internet and phone service for years and want a market that is competitive, not a AT&T, Comcast monopoly. Do not price hike the costs for the non BIG monopolies which would put them out of business and prevent a competitive market for consumers. Broadband is critical for my home and my small business.

Sincerely,

Beth Davidson
